

Help keep our Hauraki Gulf islands pest-free

Check your bag and gear for these pests.

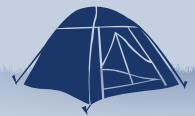

No open bags. No loose items.

Clean your shoes.

Visiting overnight? Before you go:

- ✓ Check your bedding, tent and other camping gear carefully for stowaway pests, soil and seeds.

Boaties and kayakers:

- ✓ Check your boat or kayak thoroughly for pests, soil and seeds – before you leave and between islands in the Gulf.
- ✓ Keep an eye out for signs of pests e.g. droppings, chewed wiring etc.
- ✓ Keep pest bait/traps on your boat or kayak, and where it is stored.
- ✓ Leave your pet at home or on your boat.

What to do if you find a pest:

Destroy any pests – don't throw them overboard alive.
