Date: 5 May 2022

Author: Department of Conservation

Material redacted

Some parts of this information release have been withheld as they are not appropriate for release. Where this is the case, the relevant sections of the Official Information Act 1982 (OIA) that would apply have been identified. Where information has been withheld, no public interest has been identified that would outweigh the reasons for withholding it. If requested under the OIA, these sections would be reconsidered for release at that time.

RELEASED BY THE MINISTER OF CONSERVATION
