Printed name of submitter or person authorised on behalf of submitter	
Organisation	Bike Taupō Inc
Date	2 November 2023

D. Statement of Support, Neutrality or Opposition

I **Support** this Application (I am making a submission)

E. Hearing Request

I **Do Not** wish to be heard in support of this objection or submission at a hearing.

F. Objection or submission

The specific parts of the application that this objection or submission relates to are:

Bike Taupō supports the entire application.

My reasons for my objection or submission are:

Bike Taupō supports the development of the proposed shared use trail by the Trust. The proposed trail will be beneficial to the land and the people. It will provide economic, environmental, social and cultural benefits.

Bike Taupō is familiar with the proposed trail and its route. The trail will be an important riding and walking experience within the central north island for locals and visitors alike. The route of the trail and its design respects the important environmental and cultural values of the site.

The development of the proposed trail will have a beneficial impact on the central north island as a riding destination. The trail will provide a unique rider experience that is not found anywhere else in New Zealand. It will be very popular and will result in positive benefits to the local communities as well as NZ which is fast becoming a world-renowned bike destination.

The outcomes that need to be addressed by this application are:

Give precise details, including the parts of the application you wish to have amended and the general nature of any conditions sought if the application is approved.

That the concession and works approval for the trail as proposed be granted by the Department.

G. Attachments

If you are using attachments to support your objection or submission clearly label each attachment, complete the table below and send in your attachments with this 'objection or submission form'.

Document title	Document format (e.g. Word, PDF, Excel, jpg etc.)	Description of attachment
