NOTICE OF INTENTION TO DISPOSE OF CONSERVATION AREA

Under Section 26(3) Conservation Act 1987, the Department of Conservation invites comment on a proposal to dispose of a conservation area in Taupō. If after consideration of any objections or submissions it is decided that the area is no longer required for conservation purposes, the Department intends to dispose of the land.

The land is located at 153-155 Centennial Drive.

The legal description of this land is Parts Tauhara Middle 1 Block, Closed Road SO 43082, Part Section 1 Block XIV Tatua SD and it is around 28.5 hectares.

Any person or organisation wishing to make a written submission or objection on this proposal, should ensure it is received at Department of Conservation, Statutory Land Management Team, Private Bag 4715, Christchurch Mail Centre, Christchurch 8140 or to slm@doc.govt.nz by 4.00pm on Friday 13th November 2026. Submitters must also state whether they wish to be heard in support of their submission.

A locality plan and aerial photo of the land are available on the DOC website and can be requested via the email address above or by contacting Te Riria Potiki, Statutory Advisor CNI, Department of Conservation, tpotiki@doc.govt.nz
