Dear Owner/Occupier

Fletcher Bay Road – Metalling

Ventia NZ, on behalf of **Thames-Coromandel District Council**, will be undertaking unsealed road metaling works on Fletcher Bay Road. This scope of work requires the whole of Fletcher bay Road to be closed due to narrow sections of road and several truck and trailers using this section of road.

To minimise disruption, improve efficiency and complete the works safely this will require a **ROAD CLOSURE** to all motorists and pedestrians. Provision will be in place to allow **emergency services access** when required.

The road will be closed for two 4-hour periods. Closure from 8:00 am to 11:30 am and from 12:00 pm to 4:00 pm. The road will reopen to traffic for 30 minutes between 11:30 am and 12:00 pm **(daytime closure only)**

Work Details – Fletcher Bay Road

Work will commence on 2 November and programmed to be completed on 13 November. This Road Closure affects the whole of Fletcher Bay Road.

Traffic controllers will be on site during road maintenance. **Please follow all instructions from traffic personnel for your safety.**

On behalf of the Thames-Coromandel District Council and Ventia, we want to thank you in advance for your patience and understanding while these works are being completed.

Should you have any queries or concerns regarding this work please contact:
