F. Objection or submission

The specific parts of the application that this objection or submission relates to are:

I object to all parts of this application.

My reasons for my objection or submission are:

I have been travelling & using boat ramp, jetty & wharf for 30+ years. I've seen forklift in action & never seen any problems with public onsite. To say there are significant safety issues is a long shot!!
With ~~our~~ bigger trailer boats we always use the jetty to load equip & people.

The outcomes that need to be addressed by this application are:

Give precise details, including the parts of the application you wish to have amended and the general nature of any conditions sought if the application is approved.

How about better signage for ~~the~~ tourists that are apparently wandering around "lost"
Has anyone to date been injured by a "falling pot"??
