

Rangatahi mō Papatūānuku

Video Competition

Nau Mai Haere Mai.

Do you love filmmaking and care about the environment?

DOC is running a video competition for rangatahi to share your ideas about what we can do to ensure Papatūānuku thrives.

Your videos will be shared on social media and there are prizes for the best entries. This is your chance to get creative, pick up a phone or camera, make a short factual video and show us your vision! And we'll be here to help you through the filmmaking process with any questions, 'how to' videos, online workshops and tech support.

The details:

- Entries are open to young people (16-25) as an individual or as a named group.
- Videos must be under 2 minutes long.
- Videos can be submitted via DOC's website from 1st February - 15 March 2021.
- Prizes are \$1000 for each category winner and \$500 for each runner up.

What we're looking for?

Your video will showcase your unique perspective on ways to help Papatūānuku thrive by thinking about these questions:

What do you see?

What do you wish you could have seen?

What do you want to see in the future?
