3. Gardens and Lawn: Look at all the plants and trees in the garden. Can you tell which ones are native (from New Zealand) and which are exotic (from overseas)?
4. Wildlife: Keep an eye out for the beautiful peacocks and weka. Did you manage to see any?
5. Gazebo Fact Finding: Do you know what 'Kawau' means in Te Reo Māori? It's hidden somewhere, can you find it?
6. Ladys Bay: This used to be a popular ladies only swimming spot. What special features do you notice about this beach?
7. Pine Forest: While you walk along the track, look for wooden sculptures. You may see a wallaby. How might wallabies impact on the forest?
8. Lookout Walk: Walk to the look out. What can you hear? What can you see? Can you see an island shaped like a beehive? Can you guess what it is called?
