

Kei te hiahia mātou ki ō koutou whakaaro katoa mō te inanga

He aha rā ia te raru?

E kīia mai ana e te tangata whenua, ngā kaihopu me ngā rangahau pūtaiao, kua mimiti te ika taketake kei ō tātou awa, tēnā i ō mua iho.

E heke ana te hopukina o te inanga i ngā wāhi maha. O ngā momo e 6 o te inanga, e 4 kua meatia kei te pae o mōrearea.

Ko te take i pēnā ai: nā te ngaronga o ngā kāinga whakawhānau i ngā tahataha o te awa, nā te mimititanga o ngā kōreporepo, nā te panonitanga o te whakamahi whenua, nā te purunga o ngā ara kauhoe a te ika ki runga ake o te awa, ki raro iho o te awa, nā te wai parakino, nā panoni haere o te āhuarangi, nā te hopu inanga me te whakaae ki ngā momo kē atu.

Kāore mātou e mōhio he aha pū te pānga mai o te hopu inanga ki ngā taupori ika taketake nā te korenga o te raraunga.

He nui tonu te kuaretanga o tō mātou mōhio ki te mataora tuku iho a tēnei momo. He punua te inanga nā te ika taketake e auraki ana ki ngā awa kia tupu ai hei ika kātua.

He aha ōu whakaaro? www.doc.govt.nz/whitebait-management
