STANDARD TERMS AND CONDITIONS OF LEASE AND LICENCE

1. Interpretation

1.1 In this Document, unless the context otherwise requires:

“**Land**” means the Lease Land and Licence Land described in Item 1 of Schedule 1.

“**Lease Land**” means the Land described as Lease Land in Item 1 of Schedule 1.

“**Licence Land**” means the Land described as Licence Land in Item 1 of Schedule 1.

1.2 Where the Grantor's consent or approval is expressly required under a provision of this Concession, the Concessionaire must seek the consent or approval of the Grantor for each separate occasion it is required notwithstanding that the Grantor has granted consent or approval for a like purpose on a prior occasion.

1.3 The Concessionaire is responsible for the acts and omissions of its employees, contractors, agents, clients and invitees (excluding other members of the public accessing the Land). The Concessionaire is liable under this Concession for any breach of the terms of the Concession by its employees, contractors, agents, clients and invitees (excluding other members of the public accessing the Land), as if the breach had been committed by the Concessionaire.

1.4 Where this Concession requires the Grantor to exercise a discretion or give any approval or provides for any other actions by the Grantor, then the Grantor must act reasonably and within a reasonable time. When a consent is required under this Concession such consent must not be unreasonably withheld.

1.5 Where this Concession provides for approvals, directions, reports and consents to be given by one party to the other, those approvals, directions, reports and consents must be given by notice in writing and clause 25 is to apply.

1.6 The covenants and powers contained in Part 2 of Schedule 3 of the Property Law Act 2007 are not to be implied in this Concession and are expressly negatived.

2. What is being authorised?

2.1 The Concessionaire is only allowed to use the Land for the Concession Activity.

2.2 The Concessionaire must exercise reasonable skill, care and diligence in carrying out the Concession Activity, in accordance with standards of skill, care and diligence normally practised by suitably qualified and experienced people in carrying out such activities.

- 2.3 The Concessionaire must provide the Grantor with evidence of the competency and qualifications of its employees and contractors if the Grantor so requests.
- 2.4 The Concessionaire must not commence the Concession Activity until the Concessionaire has signed the Concession Document and returned one copy of this Document to the Grantor, as if it were a notice to be given under this Concession.

3. What about quiet enjoyment?

- 3.1 The Concessionaire, while paying the Concession Fee and performing and observing the terms and conditions of this Concession, is entitled peaceably to hold and enjoy the Lease Land and any structures and facilities of the Grantor without hindrance or interruption by Grantor or by any person or persons claiming under the Grantor until the expiration or earlier termination of this Concession.
- 3.2 Provided reasonable notice has been given to the Concessionaire the Grantor, its employees and contractors may enter the Lease Land and Licence Land to inspect the Land and facilities, to carry out repairs and to monitor compliance with this Concession.

4. How long is the Concession for - the Term?

- 4.1 This Concession commences on the date set out in Item 3 of Schedule 1 and ends on the Final Expiry Date specified in Item 5 of Schedule 1.
- 4.2 If there is a right of renewal then the Grantor at the Concessionaire's cost must renew the Term for a further period as set out in Item 4 of Schedule 1 provided the Concessionaire:
- (a) gives the Grantor at least three month's written notice before the end of the Term, which notice is to be irrevocable, of the Concessionaire's intention to renew this Concession; and
 - (b) at the time notice is given in accordance with this clause the Concessionaire is not in breach of this Concession.
- 4.3 The renewal is to be on the same terms and conditions expressed or implied in this Concession except that the Term of this Concession plus all further renewal terms is to expire on or before the Final Expiry Date.

5. What are the fees and when are they to be paid?

- 5.1 The Concessionaire must pay the Processing Fee (Item 20 of Schedule 1) to the Grantor in the manner directed by the Grantor. Except where the Grantor's written consent has been given, the Concessionaire cannot commence the Concession Activity until the Processing Fee has been paid.
- 5.2 The Concessionaire must pay to the Grantor in the manner directed by the Grantor the Concession Fee and any other payment comprised in the Total Payment specified in Item 9 of Schedule 1 in the instalments and on the Concession Fee Payment Date specified in Items 10, and 11 of Schedule 1.

- 5.3 If the Concessionaire fails to make payment within 14 days of the Concession Fee Payment Date then the Concessionaire is to pay interest on the unpaid Concession Fee from the Concession Fee Payment Date until the date of payment at the Penalty Interest Rate specified in Item 12 of Schedule 1.

6. When can the fee be reviewed?

- 6.1 The Grantor is to review the Concession Fee on the Concession Fee Review Dates in the following manner:
- (a) The Grantor must commence the review not earlier than 3 months before a Concession Fee Review Date and no later than 9 months following the Concession Fee Review Date by giving notice to the Concessionaire.
 - (b) Subject to clause 6.1(e) the notice must specify the Concession Fee which the Grantor considers to be the market value for the Concession Activity as at the Concession Fee Review Date having regard to the matters specified in section 17Y(2) of the Conservation Act 1987.
 - (c) If, within 28 days of receipt of the Grantor's notice, the Concessionaire gives notice to the Grantor that the Concessionaire disputes the proposed new Concession Fee, the new Concession Fee is to be determined in accordance with clause 6.2(a) or (b).
 - (d) If the Concessionaire does not give notice to the Grantor under clause 6.1(c) the Concessionaire is to be deemed to have accepted the Concession Fee specified in the Grantor's notice.
 - (e) Notwithstanding clause 6.1(b) the new Concession Fee so determined or accepted must not be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date and is to be the Concession Fee payable by the Concessionaire from the Concession Fee Review Date.
 - (f) Until determination of the new Concession Fee, the Concession Fee payable by the Concessionaire from the Concession Fee Review Date is to be the Concession Fee specified in the Grantor's notice. On determination of the new Concession Fee an adjustment is to be made and paid, either by the Grantor or by the Concessionaire, whichever is applicable.
- 6.2 Immediately the Concessionaire gives notice to the Grantor under clause 6.1(c) the parties are to endeavour to agree on a new Concession Fee. If the parties are unable to reach agreement within 28 days the new Concession Fee is to be determined either:
- (a) By one party giving notice to the other requiring the new Concession Fee to be determined by the Disputes clause (clause 23) or, if the parties agree,
 - (b) by registered valuers acting as experts and not as arbitrators as follows:
 - (i) Each party must appoint a valuer and give notice of the appointment to the other party within 14 days of the parties agreeing to determine the new Concession Fee by this means.

- (ii) If the party receiving a notice does not appoint a valuer within the 14 day period the valuer appointed by the other party is to determine the new Concession Fee and that valuer's determination is to be binding on both parties.
 - (iii) Before commencing their determination the respective valuers must appoint an umpire who need not be a registered valuer.
 - (iv) The valuers are to determine the new Concession Fee which they consider to be the market value for the Concession Activity as at the Concession Fee Review Date having regard to the matters specified in section 17Y(2) of the Conservation Act 1987 but in no case is the new Concession Fee to be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date. If they fail to agree the Concession Fee is to be determined by the umpire.
 - (v) In determining the Concession Fee the valuers or umpire are to disregard the annual cost to the Concessionaire to maintain or provide access to the Land.
 - (vi) Each party is to be given the opportunity to make written or oral representations or submissions to the valuers or the umpire subject to such reasonable time and other limits as the valuers or the umpire may prescribe.
 - (vii) The valuers or the umpire must have regard to any such representations but are not bound by them.
- (c) The valuers or umpire must give written notice to the parties once they have determined the new Concession Fee. The notice is to be binding on the parties and is to provide how the costs of the determination are to be borne.
- (d) If a Concession Fee Review Date is postponed because of a moratorium imposed by law the Concession Fee Review is to take place at the date the moratorium is lifted or so soon afterwards as is practicable; and
- (i) the Concession Fee Review is to establish the market value for the Concession Activity as at that date instead of the date fixed under clause 6.1 having regard to the matters specified in section 17Y(2) of the Conservation Act 1987 but in no case is the new Concession Fee to be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date; and
 - (ii) each subsequent Concession Fee Review is to take place in accordance with the procedure fixed in clause 6.1.

7. Are there any other charges?

- 7.1 The Concessionaire must pay all levies rates and other charges, including utility charges payable in respect of the Land or for the services provided to the Land which relate to the Concessionaire's use of the Land or the carrying on of the Concession Activity.

If payment is not made within the 14 days then the Concessionaire is to pay interest on the unpaid sum from the date payment was due until the date of payment at the Penalty Interest Rate specified in Item 12 of Schedule 1.
- 7.4 Where the Grantor or Director-General has provided a community service, benefit or facility for the benefit of the Concessionaire under section 17ZH of the Conservation Act 1987, the Concessionaire must pay the Grantor the amount specified in Item 8 of Schedule 1 as part of the Total Payment specified in Item 9 of Schedule 1 on the Concession Fee Payment Dates specified in Item 11 of Schedule 1.

15. What are the compliance obligations of the Concessionaire?

15.1 The Concessionaire must comply where relevant:

- (a) with the provisions of any conservation management strategy or conservation management plan under the Conservation Act 1987 or Part IIA of the Reserves Act 1977, or any general policy statement made under the Conservation Act 1987, Reserves Act 1977, National Parks Act 1980, or Wildlife Act 1953, or management plan under section 45 of the National Parks Act 1980, whichever is appropriate to the Land, together with any amendment or review of any policy, strategy or plan whether approved before, on, or after the date on which this Concession takes effect; and
- (b) with the Conservation Act 1987, the Reserves Act 1977, the National Parks Act 1980, Wildlife Act 1953 and any other statute, ordinance, regulation, bylaw, or other enactment (collectively the "Legislation") affecting or relating to the Land or affecting or relating to the Concession Activity, including any regulations made under the Conservation Act 1987 and Wildlife Act 1953 or bylaws made under the Reserves Act 1977 or the National Parks Act 1980; and
- (c) with all notices and requisitions of any competent authority affecting or relating to the Land or affecting or relating to the conduct of the Concession Activity; and
- (d) with all Department signs and notices placed on or affecting the Land; and
- (e) with all reasonable notices and directions of the Grantor concerning the Concession Activity on the Land.

15.2 The Concessionaire must comply with this Concession.

- 15.3 A breach or contravention by the Concessionaire of a relevant conservation management strategy, conservation management plan, management plan or any statement of general policy referred to in clause 15.1.(a) is deemed to be a breach of this Concession.
- 15.4 A breach or contravention by the Concessionaire of any Legislation affecting or relating to the Land or affecting or relating to the Concession Activity is deemed to be a breach of this Concession.
- 15.5 If the Legislation requires the Grantor to spend money on the Grantor's own structures, facilities or land alterations on the Land, the Grantor may charge, in addition to the Concession Fee, an annual sum equal to 15% per annum of the amount spent by the Grantor.
- 15.6 If the Legislation requires the Grantor to spend money on structures, facilities or land alterations on the Land which the Grantor considers unreasonable, the Grantor may determine this Lease and any dispute as to whether or not the amount is unreasonable is to be determined in accordance with clause 23.

16. What if the Grantor's structures or facilities are damaged or destroyed

- 16.1 If the Grantor's structures or facilities or any portion of them are totally destroyed or so damaged:
- (a) as to render them untenable, the Lease is to terminate at once;
or
 - (b) as, in the reasonable opinion of the Grantor, to require demolition or reconstruction, the Grantor may, within 3 months of the date of damage or destruction, give the Concessionaire 1 month's notice to terminate and a fair proportion of the Concession Fee and Other Charges is to cease to be payable according to the nature and extent of the damage.
- 16.2 Any termination under clause 16.1 is to be without prejudice to the rights of either party against the other.
- 16.3 If the Grantor's structures or facilities or any portion of them are damaged but not so as to render the premises untenable and:
- (a) the Grantor's policy or policies of insurance have not been invalidated or payment of the policy monies refused in consequence of some act or default of the Concessionaire; and
 - (b) all the necessary permits and consents are obtainable; and
 - (c) the Grantor has not exercised the right to terminate under clause 16.1,
- the Grantor must, with all reasonable speed, apply all insurance money received by the Grantor in respect of the damage towards repairing the damage or reinstating the structures or facilities; but the Grantor is not liable to spend any sum of money greater than the amount of the insurance money received.

- 16.4 Any repair or reinstatement may be carried out by the Grantor using such materials and form of construction and according to such plan as the Grantor thinks fit and is to be sufficient so long as it is reasonably adequate for the Concessionaire's use of the Land for the Concession Activity.
- 16.5 Until the completion of the repairs or reinstatement a fair proportion of the Concession Fee and other charges is to cease to be payable according to the nature and extent of the damage.
- 16.6 If any necessary permit or consent is not obtainable or the insurance money received by the Grantor is inadequate for the repair or reinstatement, the Term is at once to terminate but without prejudice to the rights of either party against the other.

17. What are the Grantor's rights to remedy defaults?

- 17.1 The Grantor may elect to remedy at any time, after giving notice, if practicable, any default by the Concessionaire under this Concession. Before electing to so remedy in accordance with this clause, the Grantor must, if practicable, first give the Concessionaire notice of the default and a reasonable opportunity to remedy the default.
- 17.2 The Concessionaire must pay to the Grantor forthwith on demand all reasonable costs and expenses incurred by the Grantor, including legal costs and expenses as between solicitor and client, in remedying such default. The Concessionaire is to pay interest on such costs and expenses if payment is not made within 14 day's of the Grantor's demand from the date of the demand until the date of payment at the Penalty Interest Rate specified in Item 12 of Schedule 1.

18. When can the Concession be suspended?

- 18.1 If, in the Grantor's opinion, there is a temporary risk to any natural or historic resource on or in the vicinity of the Land or to public safety whether arising from natural events such as earthquake, land slip, volcanic activity, flood, or arising in any other way, whether or not from any breach of the terms of this Concession on the part of the Concessionaire, then the Grantor may suspend this Concession.
- 18.2 If, in the Grantor's opinion, the activities of the Concessionaire are having or may have an adverse effect on the natural, historic or cultural values or resources of the Land and the Grantor considers that the effect can be avoided, remedied or mitigated to an extent satisfactory to the Grantor, then the Grantor may suspend this Concession until the Concessionaire avoids, remedies or mitigates the adverse effect to the Grantor's satisfaction.
- 18.3 The Grantor may suspend the Concession for such period as the Grantor determines where the Concessionaire has breached any terms of this Concession.
- 18.4 The Grantor may suspend this Concession while the Grantor investigates any of the circumstances contemplated in clauses 18.1 and 18.2 and also while the Grantor investigates any potential breach or possible offence by the Concessionaire, whether or not related to the Concession Activity under the Conservation Act 1987 or any of the Acts mentioned in the First Schedule of that Act.

- 18.5 The word “investigates” in clause 18.4 includes the laying of charges and awaiting the decision of the Court.
- 18.6 During any period of temporary suspension arising under clauses 18.1 or 18.2 the Concession Fee payable by the Concessionaire is to abate in fair proportion to the loss of use by the Concessionaire of the Land.
- 18.7 The Grantor is not to be liable to the Concessionaire for any loss sustained by the Concessionaire by reason of the suspension of the Concession under this clause 18 including loss of profits.

19. When can the Concession be terminated?

- 19.1 The Grantor may terminate this Concession either in whole or in part:

 - (b) by 14 days notice to the Concessionaire or such sooner period as it appears necessary and reasonable to the Grantor if;
 - (i) the Concessionaire breaches any terms of this Concession and in the Grantor's sole opinion the breach is able to be rectified; and
 - (ii) the Grantor has notified the Concessionaire of the breach; and
 - (iii) the Concessionaire does not rectify the breach within 7 days of receiving notification; or such earlier time as specified by the Grantor; or
 - (c) by notice in writing to the Concessionaire where the Concessionaire breaches any terms of this Concession and in the sole opinion of the Grantor the breach is not capable of being rectified; or
 - (d) immediately by notice in writing to the Concessionaire where the Concessionaire breaches clauses 13.9 and 14; or
 - (e) by notice in writing to the Concessionaire if the Concessionaire ceases to conduct the Concession Activity or, in the reasonable opinion of the Grantor, the conduct of the Concession Activity is manifestly inadequate; or
 - (f) by notice in writing to the Concessionaire if the Concessionaire is convicted of an offence under the Conservation Act 1987 or any of the Acts listed in the First Schedule to that Act or any statute, ordinance, regulation, bylaw, or other enactment affecting or relating to the Land or which in the Grantor's sole opinion affects or relates to the Concession Activity; or
 - (g) by notice in writing to the Concessionaire if the Concessionaire or the Guarantor is dissolved; or enters into any composition with or assignment for the benefit of its creditors; or is adjudged bankrupt; or being a company, has a receiver appointed; or is put into liquidation; or is placed under statutory management; or has a

petition for winding up presented against it; or is otherwise unable to pay its debts as they fall due; or the estate or interest of the Concessionaire is made subject to a Writ of Sale or charging order; or the Concessionaire ceases to function or operate; or

- (h) immediately if there is, in the opinion of the Grantor, a permanent risk to public safety or to the natural and historic resources of the Land whether arising from the conduct of the Concession Activity or from natural causes such as earthquake, land slip, volcanic activity, flood, or arising in any other way, whether or not from any breach of the terms of this Concession on the part of the Concessionaire.

19.2 The Grantor may exercise its power to terminate under 19.1(h) without giving notice.

19.3 The Grantor may exercise the Grantor's right under this clause to terminate the Concession notwithstanding any prior waiver or failure to take action by the Grantor or any indulgence granted by the Grantor for any matter or default.

19.4 Termination of the Concession is not to prejudice or affect the accrued rights or claims and liabilities of the parties.

20. What happens on termination or expiry of the Concession?

20.1 If the Grantor permits the Concessionaire to remain in occupation of the Land after the expiry or earlier termination of the Term, (which permission may be oral or in writing), the occupation is to be on the basis:

- (a) of a monthly tenancy only, terminable by 1 month's notice by either party; and
 (b) at the Concession Fee then payable; and

20.3 The Concessionaire may, with the Grantor's written consent, remove any specified structures and other improvements on the Land. Removal under this clause must occur within the time specified by the Grantor and the Concessionaire is to make good any damage and leave the Land and other public conservation land affected by the removal in a clean and tidy condition.

20.4 The Concessionaire must, if the Grantor gives written notice, remove any specified structures and other improvements on the Land. Removal under this clause must occur within the time specified by the Grantor and the Concessionaire is to make good any damage and leave the Land and other public conservation land affected by the removal in a clean and tidy condition and replant the Land with indigenous vegetation of a similar abundance and diversity as at the commencement of the Term. If before the expiry of the Term the Concessionaire makes an application for a further concession in respect of the same Concession Activity on the Land then the Grantor can not

require such removal and reinstatement until such time as that concession application has been determined. If a new concession is granted then removal and reinstatement can not be required until the expiry or termination of the new concession.

21. When is the Grantor's consent required?

21.1 Where the Grantor's consent or approval is expressly required under this Concession then the Concessionaire must seek that approval or consent for each separate time it is required even though the Grantor may have given approval or consent for a like purpose on a prior occasion. Any such consent or approval may be made on such conditions as the Grantor considers appropriate.

22. What about other concessions?

22.1 Nothing expressed or implied in this Concession is to be construed as preventing the Grantor from granting other concessions, whether similar or not, to other persons provided that the Grantor must not grant another concession that would derogate in any material way from the Concessionaire's ability to carry out the Concession Activity.

23. How will disputes be resolved?

23.1 If a dispute arises between the parties in connection with this Concession the parties must, without prejudice to any other rights or entitlements they may have, attempt to resolve the dispute by agreement using informal dispute resolution techniques such as negotiation, mediation, independent expert appraisal or any other alternative dispute resolution technique. The rules governing any such technique adopted are to be agreed between the parties.

23.2 If the dispute cannot be resolved by agreement within 14 days of written notice by one party to the other (or such further period as the parties may agree to in writing) either party may refer the dispute to the Disputes Tribunal, where relevant, or to arbitration, which arbitration is to be carried out in accordance with the provisions of the Arbitration Act 1996.

23.3 If the parties do not agree on an arbitrator within 10 working days of a party giving written notice of the requirement to appoint an arbitrator the President of the New Zealand Law Society is to appoint the arbitrator. In either case the arbitrator must not be a person who has participated in an informal dispute resolution procedure in respect of the dispute.

23.4 The arbitrator must include in the arbitration award reasons for the determination.

23.5 Despite the existence of a dispute, each party must continue to perform its obligations under this Concession.

24. What about prosecution for offences?

24.1 Where any breach of this Concession by the Concessionaire also constitutes an offence under the Resource Management Act 1991, the Conservation Act 1987, or any of the Acts listed in the First Schedule to that Act:

- (a) no waiver or failure to act by the Grantor under this Concession is to preclude the Grantor from prosecuting the Concessionaire; and
- (b) no failure by the Grantor to prosecute the Concessionaire is to preclude the Grantor from exercising the Grantor's remedies under this Concession; and
- (c) any action of the Grantor in prosecuting the Concessionaire is not to preclude the Grantor from exercising the Grantor's remedies under this Concession.

25. How are notices sent and when are they received?

- 25.1 Any notice to be given under this Concession is to be in writing and made by personal delivery, fax, by pre paid post or email to the receiving party at the address, fax number or email address specified in Item 17 or 18 of Schedule 1. Any such notice is to be deemed to have been received:

26. What is the scope of the Concession?

- 26.1 Except as provided by legislation, this Concession and any written variation agreed by the parties contain the entire understanding between the parties with reference to the subject matter of this Concession and there is no other agreement, representation or warranty whether it is expressed or implied which in any way extends, defines or otherwise relates to the provisions of this Concession.

27. Can provisions be severed?

- 27.1 Any illegality, or invalidity or unenforceability of any provision in this Concession is not to affect the legality, validity or enforceability of any other provisions.

30.2 In consideration of the Grantor entering into this Concession at the Guarantor's request the Guarantor:

- (a) guarantees payment of the Concession Fee and the performance by the Concessionaire of the covenants in this Concession; and
- (b) indemnifies the Grantor against any loss the Grantor might suffer should the Concession be lawfully disclaimed or abandoned by any liquidator, receiver or other persons.

30.3 The Guarantor covenants with the Grantor that:

- (a) no release, delay, or other indulgence given by the Grantor to the Concessionaire, to the Concessionaire's successors or assigns, or any other thing whereby the Guarantor would have been released had the Guarantor been merely a surety is to release, prejudice, or affect the liability of the Guarantor as a Guarantor or as indemnifier;
- (b) as between the Guarantor and Grantor the Guarantor may, for all purposes, be treated as the Concessionaire and the Grantor is under no obligation to take proceedings against the Concessionaire before taking proceedings against the Guarantor;
- (c) the guarantee is for the benefit of and may be enforced by any person entitled for the time being to receive the Concession Fee;
- (d) any assignment of this Concession and any Concession Fee Review in accordance with this Concession are not to release the Guarantor from liability;
- (e) should there be more than one Guarantor the liability of each Guarantor under this Guarantee is to be joint and several.

31.2 The Concessionaire must not allow Co-Siting on the Land without the prior written consent of the Grantor.

- 31.3 The Grantor's consent must not be unreasonably withheld but is at the Grantor's sole discretion and subject to such reasonable terms and conditions as the Grantor thinks fit including a requirement that the Co-Sitee be liable for direct payment to the Grantor of a concession fee and any environmental premium assessed in respect of the Co-Sitee's activity on the Land.
- 31.4 In addition, the Grantor must withhold consent if:
- (a) the Co-Siting would result in a substantial change to the Concession Activity on the Land; or
 - (b) the Grantor considers the change to be detrimental to the environment of the Land.
- 31.5 Subject to clause 31.4 the Concessionaire must, if required by the Grantor, allow Co- Siting on the Land.
- 31.6 Where the Concessionaire maintains that Co-Siting by a third party on the Land would:
- (a) detrimentally interfere physically or technically with the use by the Concessionaire of the Land; or
 - (b) materially prejudice any resource consents obtained by the Concessionaire or cause more onerous conditions to be imposed on it by the relevant authority; or
 - (c) obstruct or impair the Concessionaire's ability effectively to operate from the Land; or
 - (d) interfere with or prevent future forecast works of the Concessionaire,
- the Grantor, must, as a pre-condition to consideration of an application to grant a concession to a third party, require that third party to obtain, at its own cost, a report prepared by an independent consultant acceptable to the Grantor confirming or rejecting the presence of the matters specified in this clause 31.6. The Grantor must not grant a concession to a third party where the report confirms that the proposed concession would give rise to one or more of the matters specified in this clause 31.6.
- 31.7 If the independent consultant report rejects the Concessionaire's concerns, the Concessionaire may dispute this in accordance with the procedure set out in clause 23 of Schedule 2.
- 31.8 Where the Concessionaire is required under clause 31.5 to allow Co-Siting on the Land, the Concessionaire is, subject to clause 31.10 entitled to enter into commercial agreements with third parties for them to conduct an activity on the Land and to receive a reasonable fee from them for any agreed activity they intend to carry out on the Land.  - (b) market value for the concession activity proposed by the third party having regard to the matters specified in Section 17Y(2) of the Conservation Act 1987;

- 31.9 If the Concessionaire does not accept the Grantor's determination, the Concessionaire may dispute this in accordance with the procedure set out in clause 23 of Schedule 2.
- 31.10 For the avoidance of doubt, a Co-Sitee permitted on the Land must enter into a separate concession with the Grantor in terms of which the Co-Sitee may be required to pay to the Grantor a concession fee and environmental premium assessed in respect of the Co-Sitee's activity on the Land. This separate concession must not contain provisions that conflict with the Concessionaire's rights and obligations in relation to the Land.
- 31.11 The Grantor must not authorise the third party to commence work on the Land until all relevant resource consents are issued, an agreement is executed between the Concessionaire and third party, and any conditions imposed by the Concessionaire have been met.

32. What about Identification cards?

- 33.1 The Grantor is not required to do any act or thing to enable this Concession to be registered and the Concessionaire must not register a caveat in respect of the Concessionaire's interest under this Concession.
- 33.2 Nevertheless, if the Concessionaire wishes to register this Concession under the Land Transfer Act 1952, the Grantor must take all such steps as are necessary to enable a certificate of title to issue in respect of the land against which this Concession may be registered subject to the Concessionaire being responsible for and bearing all costs of and incidental to any survey necessary to enable such issue of title and all costs incurred by the Grantor in enabling such an issue of title and in having this Lease re-executed by the parties in a form suitable for registration.
