

Otago Recommended Locations Recreational (Private Use) Drone Use – Short Term

Department of
Conservation
Te Papa Atawhai

New Zealand Government

What are recommended locations?

Department of Conservation (DOC) has identified locations where we recommend you apply to use your drone for recreational purposes. This form lists the locations recommended in the Otago area. Additional conditions for your drone use at these locations, such as hours of operation, are also listed.

Additional forms listing recommended locations for different regions are available on the [Recreational drone use](#)¹ page on the DOC website.

How do I complete this form?

To fly your drone in a recommended location either tick the top box for 'all locations listed in this Otago Recommended Locations form' or tick boxes for specific public conservation land areas in the Otago area.

How do I submit this form?

This location form needs to be submitted as an attachment with your Application for [Recreational \(Private Use\) Drone Use-Short Term form](#)².

You will be charged a processing fee for each [DOC Operation Region](#)³ you apply to use your recreational drone on. Locations listed on this form are in the Eastern South Island DOC region. Processing fees are listed on the [Recreational drone use](#)⁴ page of the DOC webpage.
