26 February 2020

Dear

Thank you for your Official Information Act request to the Department of Conservation, dated 13/02/2020. You requested the following:

All available breeding and fledging data for the Fairy Tern for the 2018-2019 and 2019-2020 breeding seasons, in all locations.

Information Released Under the Official Information Act

The data related to your request is released under the Official Information Act 1982 in the attached spreadsheet. Although the Department takes great care to ensure this dataset is accurate as possible, and all care and diligence have been used in processing, analysing, and extracting data and information, we cannot guarantee that the information is error free. We accept no legal liability arising from, or connected to, the use of this data.

We recommend that users:

- exercise their own skill and care with respect to their use of this data
- carefully evaluate the accuracy, currency, completeness, and relevance of the data for their purposes.

In the interests of improving our understanding of fairy tern biology, we request that you share copies of any publications or analysis completed using this data with the Department.

Please note that this letter (with your personal details removed) and enclosed document will be published on the Department's website.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'F. Iftikar'.

Fathima Iftikar
Director Terrestrial Science
