Tēnā koe 

Thank you for your Official Information Act request to the Department of Conservation, received on 12 August 2022 in which you asked for:

Could I please have any and all up-to-date building and construction guides used by DOC for the building, construction and erecting of DOC tracks, including but not limited to construction and erecting of:

Steps, stairs, bridges of all types, and huts

Your questions and our responses are listed below:

1. *The Departments track construction guidelines can be found at [Track construction and maintenance guidelines: Policies and plans \(doc.govt.nz\)](#)*
2. *The Departments guide for Hut construction can be found at [Hut procurement manual for backcountry huts: DOC procedures and SOPs](#)*
[Response]
