**Subject:** Lower Selwyn Huts - update on debt status

Hi Kerry,

As discussed yesterday, can I please ask you to provide an updated risk assessment of moderate and high-risk concessionaires for the Lower Selwyn Huts as of 31 July. The purpose of this is to have more up to date data to present to the decision maker.

Yesterday we discussed:

- Checking in on moderate and high-risk applicants to see how their balances might have changed
- Potentially doing a scan to see if any other applicants have entered the moderate/high-risk bracket

Thank you and Rawiri for taking the time to update this for me.

Ngā mihi nui,  
Arzan Irani
