Thank you for your request to the Department of Conservation (DOC), received on 27 August 2025, in which you asked for:

Here's a list of missing reports - if you do find anything additional, it would be great if you could share. Huge thanks.

For the purpose of this project, a final J4N report to read about project outcomes and lessons learned would be most helpful.

In order from highest to lowest importance:

- 1. Any J4N reports for the Rakiura project - a single final report would be great if that exists. I have no J4N reports at all at the moment.*

We have considered your request under the Official Information Act 1982 (the OIA).

Please find attached documents listed below.

Item	Document description	Decision
1	AL06.5 Restoring Rakiura End of Project report November 2023	Released in full
2	Map Barberry Areas and Tracking Sept 21 to Aug 23	Released in full
3	JFN Project Finance Quarterly Reports 2021 - 2023	Released in full

Please note that this letter (with your personal details removed) and attached documents may be published on DOC's website.
