Tēnā koe 

Thank you for your request to the Department of Conservation, received on 11 May 2026, in which you asked for:

1. All briefings, reports, aide memoires, drafting instructions, policy advice, internal analysis, Cabinet papers and Cabinet minutes relating to the development of the proposed amendments to section 6 of the Conservation Act.
2. All correspondence relating to the proposed amendments to section 6 of the Conservation Act (including emails, attachments, letters, meeting notes, text messages, and Teams messages where held) between:
 - a. the Department of Conservation and ministerial offices; and/or
 - b. ministerial offices themselves,
3. Any documents identifying when the proposed amendments to section 6 were first introduced into the policy or drafting process.
4. Any advice, analysis, or assessment regarding:
 - a. the implications of the section 6 amendments for biodiversity or conservation outcomes;
 - b. consistency with the existing purpose and functions of the Conservation Act;
 - c. public or stakeholder consultation undertaken (or not undertaken) on the amendments.

We have considered your request under the Official Information Act 1982.

On 14 May 2026, we transferred part of your request under section 14 of the Official Information Act 1982, to the Office of the Minister of Conservation, as the information requested is not held by the Department.

On 19 May 2026 you clarified (or refined) your request to:

1. remove question four; and
2. in question one, to remove your request for “internal analysis” and expand the remainder of question one to include those categories of advice you have listed in question four.

New Zealand Government

On 15 June 2026 we extended the timeframe to respond to your request to 29 June 2026 due to the large quantity of information sought. At this time, we advised you that we expected to proactively release materials relating to your request in late June. The proactive release of these materials has been delayed but is expected within the next month.

I have decided to release the relevant parts of the documents as described in the appended schedule of documents, subject to information being withheld under one or more of the following sections of the Official Information Act, as applicable:

- **personal contact details of officials**, under section 9(2)(a) – to protect the privacy of natural persons, including deceased people,
- **advice subject to collective ministerial confidentiality**, under section 9(f)(ii) – to maintain the constitutional conventions for the time being which protect collective and individual ministerial responsibility
- **advice still under consideration**, section 9(2)(f)(iv) – to maintain the current constitutional conventions protecting the confidentiality of advice tendered by Ministers and officials,
- **free and frank expression**, under section 9(2)(g)(i) – to maintain the effective conduct of public affairs,
- **advice subject to legal privilege**, under section 9(2)(h) - to maintain legal professional privilege,

Please note, purely administrative drafts of Cabinet papers or Cabinet paper excerpts have been withheld. These are instances where the only changes from other released drafts are things such as grammar, spelling, or shifting of paragraph placement; this does not include where content has been altered. We have noted where documents have been withheld for this reason in the appended schedule of documents.

In making my decision, I have considered the public interest considerations in section 9(1) of the Official Information Act and determined there are no public interests that outweigh the grounds for withholding.

You are entitled to seek an investigation and review of my decision by writing to an Ombudsman as provided by section 28(3) of the Official Information Act.

Please note that this letter (with your personal details removed) and attached documents may be published on the Department's website.
