- 1.2 Where this Concession requires the Grantor to exercise a discretion or give any approval or provides for any other actions by the Grantor, then the Grantor must act reasonably and within a reasonable time. When a consent is required under this Concession such consent must not be unreasonably withheld.

- 2.2 The Concessionaire must not commence the Concession Activity until the commencement of the Term.

4. What are the fees and when are they to be paid?

- 4.1 The Concessionaire must pay the Processing Fee (**Item 13** of Schedule 1) to the Grantor in the manner directed by the Grantor. Except where the Grantor's written consent has been given, the Concessionaire cannot commence the Concession Activity until the Processing Fee has been paid.

- 5.1 The Grantor is to review the Concession Fee on the Concession Fee Review Date in **Item 9** of Schedule 1 in the following manner:

Any such consent or approval may be made on such conditions as the Grantor considers appropriate.

17. Are there limitations on public access and closure?

- 17.1 The Concessionaire acknowledges that the Easement Land is open to the public for access and that the Grantor may close public access during periods of high fire hazard or for reasons of public safety or emergency.

18. What about other concessions?

- 18.1 Nothing expressed or implied in this Concession is to be construed as preventing the Grantor from granting other concessions, whether similar or not, to other persons provided that the Grantor must not grant another concession that would derogate in any material way from the Concessionaire's ability to carry out the Concession Activity.

19. How will disputes be resolved?

- 19.1 If a dispute arises between the parties in connection with this Concession the parties must, without prejudice to any other rights or entitlements they may have, attempt to resolve the dispute by agreement using informal dispute resolution techniques such as negotiation, mediation, independent expert appraisal or any other alternative dispute resolution technique. The rules governing any such technique adopted are to be agreed between the parties.
- 19.2 If the dispute cannot be resolved by agreement within 14 days of written notice by one party to the other (or such further period as the parties may agree to in writing) either party may refer the dispute to the Disputes Tribunal, where relevant, or to arbitration, which arbitration is to be carried out in accordance with the provisions of the Arbitration Act 1996.
- 19.3 If the parties do not agree on an arbitrator within 10 working days of a party giving written notice of the requirement to appoint an arbitrator the President of the New Zealand Law Society is to appoint the arbitrator. In either case the arbitrator must not be a person who has participated in an informal dispute resolution procedure in respect of the dispute.
- 19.4 The arbitrator must include in the arbitration award reasons for the determination.

20. How are notices sent and when are they received?

- 20.1 Any notice to be given under this Concession is to be in writing and made by personal delivery, by pre-paid post or email to the receiving party at the address, or email address specified in Item 11 of Schedule 1. Any such notice is to be deemed to have been received:

 - (b) in the case of post, on the 3rd working day after posting;
 - (c) in the case of email,
 - (i) if sent between the hours of 9am and 5pm on a working day, at the time of transmission; or
 - (ii) if subclause (i) does not apply, at 9am on the working day most immediately after the time of sending.

Provided that an email is not deemed received unless (if receipt is disputed) the party giving notice produces a printed copy of the email which evidences that the email was sent to the email address of the party given notice.

- 20.2 If either party's details specified in Item 11 of Schedule 1 change then the party whose details change must within 5 working days of such change provide the other party with the changed details.

21. What about the payment of costs?

- 21.1 The Concessionaire must pay the Grantor's legal costs and expenses of and incidental to preparing and signing this Concession or any extension or variation of it.

- 21.2 The Concessionaire must pay in full immediately and on demand all costs and fees (including solicitor's costs and fees of debt collecting agencies engaged by the Grantor) arising out of and associated with steps taken by the Grantor to enforce or attempt to enforce the Grantor's rights and powers under this Concession including the right to recover outstanding money owed to the Grantor.

22. What about the powers implied by statute?

- 22.1 The rights and powers implied in the relevant easements by Schedule 5 to the Land Transfer Regulations 2018 (as set out in Schedule 5 of this Concession) apply to this Concession **EXCEPT** to the extent set out in **special condition 1, Schedule 3** of this Concession.
- 22.2 The rights and powers implied by Schedule 5 to the Property Law Act 2007 do not apply to this Concession.

23. What about Co-Siting?

- 23.2 The Concessionaire must not allow Co-Siting on the Easement Land without the prior written consent of the Grantor.
- 23.3 The Grantor's consent must not be unreasonably withheld but is at the Grantor's sole discretion and subject to such reasonable terms and conditions as the Grantor thinks fit including a requirement that the Co-Sitee be liable for direct payment to the Grantor of a concession fee and any environmental premium assessed in respect of the Co-Sitee's activity on the Easement Land.
- 23.4 In addition, the Grantor must withhold consent if:
- (a) the Co-Siting would result in a substantial change to the Concession Activity on the Easement Land; or
 - (b) the Grantor considers the change to be detrimental to the environment of the Easement Land.
- 23.5 Subject to clause 23.4 the Concessionaire must, if required by the Grantor, allow Co-Siting on the Easement Land.
- 23.6 Where the Concessionaire maintains that Co-Siting by a third party on the Easement Land would:
- (a) detrimentally interfere physically or technically with the use by the Concessionaire of the Easement Land; or
 - (b) materially prejudice any resource consents obtained by the Concessionaire or cause more onerous conditions to be imposed on it by the relevant authority; or
 - (c) obstruct or impair the Concessionaire's ability effectively to operate from the Easement Land; or
 - (d) interfere with or prevent future forecast works of the Concessionaire, the Grantor, must, as a pre-condition to consideration of an application to grant a concession to a third party, require that third party to obtain, at its own

cost, a report prepared by an independent consultant acceptable to the Grantor confirming or rejecting the presence of the matters specified in this clause 23.6. The Grantor must not grant a concession to a third party where the report confirms that the proposed concession would give rise to one or more of the matters specified in this clause 23.6.

- 23.7 If the independent consultant report rejects the Concessionaire's concerns, the Concessionaire may dispute this in accordance with the procedure set out in clause 19 of this Schedule 2.
