- 6.1 The Grantor is to review the Concession Fee on the Concession Fee Review Dates in the following manner:
 - (a) The Grantor must commence the review not earlier than 6 months before a Concession Fee Review Date by giving notice to the Concessionaire.
 - (b) Subject to **clause 6.1(e)** the notice must specify the Concession Fee which the Grantor considers to be the market value for the Concession Activity as at the Concession Fee Review Date having regard to the matters specified in section 17Y(2) of the Conservation Act 1987.

- (c) If, within 28 days of receipt of the Grantor's notice, the Concessionaire gives notice to the Grantor that the Concessionaire disputes the proposed new Concession Fee, the new Concession Fee is to be determined in accordance with **clause 6.2(a) or (b)**.
- (d) If the Concessionaire does not give notice to the Grantor under **clause 6.1(c)** the Concessionaire is to be deemed to have accepted the Concession Fee specified in the Grantor's notice.
- (e) Notwithstanding **clause 6.1(b)** where the Concession Fee is assessed by reference to a percentage of gross annual revenue, the percentage so determined or accepted must not be less than the percentage specified during the year preceding the particular Concession Fee Review Date. In all other circumstances the new Concession Fee must not be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date. The new Concession Fee is payable by the Concessionaire from the Concession Fee Review Date.
- (f) Until determination of the new Concession Fee, the Concession Fee payable by the Concessionaire from the Concession Fee Review Date is to be the Concession Fee specified in the Grantor's notice. On determination of the new Concession Fee an adjustment is to be made and paid, either by the Grantor or by the Concessionaire, whichever is applicable.

6.2 Immediately the Concessionaire gives notice to the Grantor under **clause 6.1(c)** the parties are to endeavour to agree on a new Concession Fee. If the parties are unable to reach agreement within 28 days the new Concession Fee is to be determined either:

- (a) By one party giving notice to the other requiring the new Concession Fee to be determined by the Disputes clause (**clause 23**) or, if the parties agree,
- (b) by registered valuers acting as experts and not as arbitrators as follows:
 - (i) Each party must appoint a valuer and give notice of the appointment to the other party within 14 days of the parties agreeing to determine the new Concession Fee by this means.
 - (ii) If the party receiving a notice does not appoint a valuer within the 14-day period the valuer appointed by the other party is to determine the new Concession Fee and that valuer's determination is to be binding on both parties.
 - (iii) Before commencing their determination the respective valuers must appoint an umpire who must also be a registered valuer.
 - (iv) The valuers are to determine the new Concession Fee which they consider to be the market value for the Concession Activity as at the Concession Fee Review Date having regard to the matters specified in section 17Y(2) of the Conservation Act 1987. Where the Concession Fee is assessed by reference to a percentage of gross annual revenue, the percentage so determined or accepted must not be less than the percentage specified during the year preceding the particular Concession Fee Review Date. In all other circumstances the new

Concession Fee must not be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date. If they fail to agree the Concession Fee is to be determined by the umpire.

- (v) In determining the Concession Fee, the valuers or umpire are to disregard the annual cost to the Concessionaire to maintain or provide access to the Land.
- (vi) Each party is to be given the opportunity to make written or oral representations or submissions to the valuers or the umpire subject to such reasonable time and other limits as the valuers or the umpire may prescribe.
- (vii) The valuers or the umpire must have regard to any such representations but are not bound by them.
- (c) The valuers or umpire must give written notice to the parties once they have determined the new Concession Fee. The notice is to be binding on the parties. The parties will each bear the costs of their respective valuers and, where relevant, half the costs of the umpire.
- (d) If a Concession Fee Review Date is postponed because of a moratorium imposed by law the Concession Fee Review is to take place at the date the moratorium is lifted or so soon afterwards as is practicable; and
 - (i) the Concession Fee Review is to establish the market value for the Concession Activity as at that date instead of the date fixed under **clause 6.1** having regard to the matters specified in section 17Y(2) of the Conservation Act 1987 but in no case is the new Concession Fee (or percentage of gross annual revenue if that formula is being used) to be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date; and

16.5 Until the completion of the repairs or reinstatement a fair proportion of the Concession Fee and other charges is to cease to be payable according to the nature and extent of the damage.

16.6 If any necessary permit or consent is not obtainable or the insurance money received by the Grantor is inadequate for the repair or reinstatement, the Term is at once to terminate but without prejudice to the rights of either party against the other.

- 18.2 If, in the Grantor's opinion, the activities of the Concessionaire are having or may have an adverse effect on the natural, historic or cultural values or resources of the Land and the Grantor considers that the effect can be avoided, remedied or mitigated to an extent satisfactory to the Grantor, then the Grantor may suspend this Concession until the Concessionaire avoids, remedies or mitigates the adverse effect to the Grantor's satisfaction.
- 18.3 The Grantor may suspend the Concession for such period as the Grantor determines where the Concessionaire has breached any terms of this Concession.
- 18.4 The Grantor may suspend this Concession while the Grantor investigates any of the circumstances contemplated in **clauses 18.1 and 18.2** and also while the Grantor investigates any potential breach or possible offence by the Concessionaire, whether or not related to the Concession Activity under the Conservation Act 1987 or any of the Acts mentioned in the First Schedule of that Act.
- 18.5 The word "investigates" in **clause 18.4** includes the laying of charges and awaiting the decision of the Court.
