

Consistency Accountability Statement:

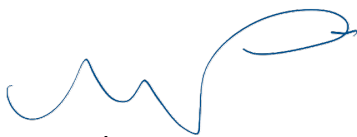

Game Animal Council Act (Fiordland Wapiti Herd of Special Interest Hunting Conditions) Notice 2026

Agency responsible	Department of Conservation
Portfolio	Hunting and Fishing
Date finalised	18 August 2026
Identification number	Not applicable

Statement of Review

I confirm that the Department of Conservation has assessed the above legislation, and the process for developing it, for consistency with the principles of responsible regulation as set out in section 9 of the Regulatory Standards Act 2025.

This assessment identified no inconsistencies with the principles of responsible regulation.

Peter Chrisp

Director-General of Conservation and Chief Executive
