Hi Pauline,

Yes, I am happy to go for the 30 years and pay the associated costs.

All the best,

Andrea

**Subject:** 121328-OTH Public Notification

Hi Andrea

Following up on the phone message I just left you. This application needs to be publicly notified due to the fact that the boatshed and lean to have not been previously authorised despite being on site since the 1960's as you mentioned in your application.

Can you please advise me if you wish to go for the 30 years & I will get this off to the Marlborough weekly for advertising next Wednesday.  
If you have any questions then please call me on the number below or reply to this email.  
Cheers and sorry for the tight timeframe on this one.

Pauline
