

# E whakaraerae ana te whio

Kāore e kitea ana te whio i whenua kē atu, nā reira e tika ana kia āwhina tātou i a rātou kia ora tonu, kia taurikura anō hoki.

Nā te mea ko te whakatau tata o te taupori katoa o ngā manu nei ko te 3,000, he onge ake te whio i ētahi o ngā momo kiwi.

I kaha kitea ngā whio huri noa i Aotearoa i ngā wā o mua, engari e noho marara ana ngā taupori whio i tēnei wā ka mutu kua whāiti tā rātou noho ki ngā awa i ngā riu hopuwai o ngā ngahere i ngā wāhi tuawhenua o Te Ika a Māui me Te Waipounamu.

Ka piki ake te nui o ngā rohe whio ki te 5 kiromita o tētahi awa, nā reira me nui rawa te whakahaere o ēnei manu kia ora tonu ai rātou. Ka uua rawa tēnei mahi i ētahi wā, nā te mea me nui rawa ngā rauemi e tika ai te whakahaere o ngā whakawehi.

## Ngā hoariri o te whio

### Ngā konihi

Ko ngā tori uaroa me ngā tori hura ngā konihi kino rawa atu ki te whio i te mea ka whakatoke rātou i ngā uwaha i ngā kōhanga, ka tāhae i ngā huamanu, ā, ka hopu i ngā punua rakiraki i te taha o te awa. Engari e mōhioitia ana hoki, kua kai ngā weka, ngā ngeru me ngā kuī i ngā hua whio, pērā hoki i ngā kaiawa, ngā kēurangi me ētahi atu manu.

### Te huarere

Ahakoia e pai ana ngā whio ki ngā awa tere, ka tāhoru ngā waipuke i ngā kōhanga, ā, ka toromi iho ngā punua whio.

### Te whakamāunu

Ka whakamāunu ngā whio i waenganui i te Pēpuere me te Mei, nā te ngarohanga o ōna huru ka tino mōrearea te whio. Tē taea e te whio te rere tae noa ki te putanga o ōna huruhuru hou, nā reira ka kīia nei he 'sitting ducks' ēnei manu i tēnei wāhanga o te tau.

### Ngā tāngata

Kua pāngia ngā ara wai e noho nei hei kāinga ki te whio e te tuangaheretanga o te whenua, te whanaketanga tāone, te parahanga, me te whakapeau awa.
