E whakaraerae ana te whio

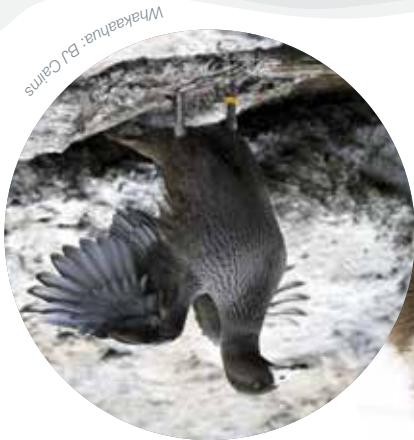

He iti iho i te 3,000 te mātāpae o te tauportī katoa o te manu nei, nā reira mā tātou katoa e āwhina tēnei manu whakaraerae ki te ora tonu, ki te taurikura anō hoki.

Te whakamōhio i te whio

Ko te whio tētahi o ngā momo taonga tāukiki o Aotearoa. He nui ngā urutauunga whakamāhoro o ngā manu onge nei, mā ēnei urutauunga e ora tonu ai ēnei manu i ngā wāhi e kore ai e kitea ētahi atu manu – arā ko ngā awa tere o Aotearoa.

Ngā tangi: Ko te tangi a ngā toa pakeke he tangi kōhure, arā he "whi-o, whi-o", nā konā i ahu mai ai tōna ingoa, engari ko te tangi a ngā uwaha pakeke he rarā, he ngengerē.

Ngā karu: Ko ngā karu o ngā whio he kōhure, he kōwhai, ā, e aro whakamua ana pērā i te tangata, nā reira ka tāea e te manu te titiro whakamua.

Te ngutu: Kaore he ngutu ke atu e ōrite ana ki te whio. He pangō, he rapa te tūhi o ōna ngutu, me he pae whakahaumarū, mā tērā wāhanga o te ngutu ka haumarū tonu te manu i a ia e waku ana i ngā toka ki te rapu i te kai. He tātari hoki o te ngutu pērā i ērā o ngā ika moana pāhau, ko tā ngā tātari nei he morni i ngā tuaiwi-kore o te moana (ngā ngātara me ngā noke) i te wai.

Ngā wae: He kakama ngā whio, he nui, he huirapa ngā wae o te manu ka whakamāhāia hei pakihau i te wai. Ahakoa he iti ngā punua kātahi anō ka pao mai i te huamānu, he nui tonu ngā wae hei āwhina i tana rere i ngā au tere o te wai. Ka tāea e te manu te pōkai ake ēnei wae motuhake me he hamarara e iti iho ai te to o te wai i a ia e rere ana ki raro iho me te tere hoki o te rere.

Te rahi: Ko te rahinga o te toa pakeke kei te takiwā o te 1,000 ki te 1,300 karamu (arā he āhua ōrite tērā ki te rahinga o ngā paraka pata e 2, e 3 rānei), engari ko te rahinga o ngā uwaha pakeke he iti iho, ā, kei te takiwā o te 800 ki te 1,000 karamu.

He kirihuna: Nā ngā huruhuru kahurangi-kiwīkiwi o te whio i ahū mai ai te 'blue' i te ingoa Pākehā o te manu nei, engari he mahi te whakamāhoro i te whio i te tāiao o te awa e kore ai ia e kitea e te konihi.
