		Helicopter type:

Please be as accurate as possible when recording numbers		TAHR OBSERVED Group Composition					TAHR KILLS			
Date	Location	Group size	Male	Female	Juvenile	Unknown	Male	Female	Juvenile	Unknown
Sat										
Sun										
Mon										
Tue										
Wed										
Thur										
Fri										

Notes:

- Please submit only one diary return per party that summarizes observations made by all members of the party.
- Make best estimates of group sizes if the group has been recorded by different party members from different locations i.e., we want to minimise duplication of observations.
- Write any comments on the sheet,
- Campsite conditions
- Rubbish
- Weather
- Bird observations

Thank you
