

WHAREWAKA HĪKOI - THE LUCKY LAKE!

1. **Geotec Survey Mark:** Start at Wharewaka Point and find the Geotec survey mark. See the translation for “Kia Tupato: Kaua e tutu”.
2. **Playground:** Walk downhill to the Wharewaka recreational reserve, playground, BBQ and toilets for the whanau to enjoy!
3. **BBQ:** Find the Belly Bin by the BBQ. Our hīkoi/walk has many of these sustainable ‘Belly Bins’. They are solar powered and signal to the council when they are full and need to be emptied. Count how many you find along the hīkoi.
4. **Kohatu Parade Stairs:** Run up the stairs to Kohatu Parade. Have a rest on the seat at the top and enjoy the view from up high. How many steps can you count on the way down?
5. **Secombe Park:** Check out the toitoi, manuka, harakeke and ti kōuka trees! Pukeko might also be around!
6. **Three Mile Bay Boat Ramp:** What does the wooden sign suggest you do at Three Mile Bay?
7. **More Stairs:** Climb to the top of the stairs – how many are there? Double check your counting on the way down!
8. **Guardian Post:** Keep your eyes peeled for the Kiwi Guardians post – note the code word so you can claim a reward. What other signage is on the post?
9. **Kōwhai Tree and Seat:** Take a well-earned rest on the seat amongst the Kōwhai Trees and look back to where your hīkoi/walk started.
10. **Triangle Marker:** Look out for the triangle on top of a post, on the corner. What is this for?
11. **Two Mile Bay Boat Ramp:** At the end of the hīkoi/walk you will be greeted by another awesome reserve, which has toilets and a BBQ. This is a great place to sit and watch the action at the boat ramp! Be careful - it can be a busy place!
12. **Two Mile Bay Sailing Centre:** The Two Mile Bay Sailing Centre is located nearby, a little further along the walkway. You may want to treat yourself to a warm or cold refreshment after your awesome effort!

Health and safety:

The walk takes approximately 25-30 mins with children aged 6-10 years, with occasional stops for viewing the local fauna and flora. The walking path is paved for the entire walk. Be sure to take care when the path crosses over the boat ramps at Three Mile and Two Mile Bay locations. These are easily noticeable and sign posted
