Dolomite Car Parks

Additional parking information

Licence plate recognition cameras

Licence plate recognition cameras record vehicle number plates when vehicles enter and exit the paid parking zone.

Parking payments are matched to the vehicle licence plate number entered when payment is made.

Northern Carpark

Southern Carpark

Paying for parking

- Pay on arrival at the appropriate pay station.
- Parking fees apply to all vehicles 24 hours / 7 days a week.
- You must pay for the full time your vehicle is parked in the paid parking zone, including while charging an electric vehicle (EV).
- If you stay longer than expected, extend your parking session or make an additional payment. Additional payments can be made at a pay station.
- A breach notice may be issued if parking has not been paid for, the paid parking time has expired, or the vehicle does not have a valid permit or approved exemption.

Paid car parking terms and conditions: By parking in the paid parking zone, you agree to the parking terms and conditions. www.doc.govt.nz/globalassets/documents/parks-and-recreation/plan-and-prepare/car-parking/paid-car-parking-terms-and-conditions.pdf

Campervans and overnight camping

Campervans may park in the designated campervan parking spaces, at rear of Northern Carpark.

Overnight camping in the car park is not permitted.

Enjoy your visit
