

STAY SAFE AT THE ARATIATIA RAPIDS

STAY OUT:

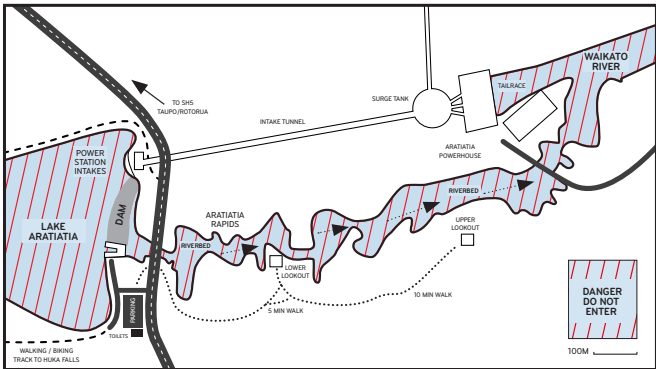

Keep clear of the Aratiatia Rapids spillway and downstream area at all times. Never enter, swim or kayak in this area.

PAY ATTENTION:

Stay alert for the signs, sirens and safety warnings.

BE AWARE:

Spills may happen at any time, even when there is no siren.

Scheduled viewing of tourism spill: 10am, 12pm, 2pm, (4pm summer only)

Controlled operational spill: Year round and anytime 24/7

Uncontrolled water flow (without warning): Year round and anytime 24/7.

Major works are underway which will mean larger and more frequent dam spills.
