

TAKE ACTION FOR NATURE

at your workplace this Conservation Week in 3 easy steps

1. RUN A WORKPLACE ACTIVITY

Take the daily Conservation Week quiz

Support marine scientists via Spyfish Aotearoa

Enjoy a local short walk

Run a beach clean-up

Complete the online Aotearoa New Zealand bird ID course

Relax over a lunchtime screening of *Fiordland Kiwi Diaries*

2. CAPTURE CONTENT

Take photos of you and your workmates taking action for nature during your activity.

3. SHARE TO WIN

Post photos on your intranet and social channels during Conservation Week and tag us using @docgovtnz.

The top 5 business event posts will be shared into the Department of Conservation's social channels, giving their businesses increased visibility.
